GSA Schedule 874—MOBIS SIN 874-1, Consulting Services

Management Solutions Consulting Group offers general expertise in program management, operations administration, and systems technology, coupled with subject matter expertise in several health and human service programs. That makes MSCG uniquely qualified to help our government, clients better support their organizations.

We are a premier provider of public health management solutions and have sustained a consistent reputation for outstanding service delivery in the Federal government. MSCG's philosophy is to partner with a client, and together, make a positive impact at the individual, organizational, community, and national levels.

With our MOBIS Schedule, MSCG offers a cadre of services for a comprehensive management package, or customized support of individual services that may augment an organization's existing staff in:

- Project management
- Strategic and operational planning
- Short-term executive management
- Financial management
- Practice management
- Events and conference planning
- Security and risk management

MSCG offers vertical program expertise in:

- Health and human service programs
- Technical assistance for grantees

- Emergency and disaster management planning and facilitation

MSCG staff and consultants have years of experience working with a wide variety of organizations, overseeing small and large enterprises. We have successfully managed engagements with:

- Health Resources and Services Administration
- Centers for Disease Control and Prevention
- Center for Medicare and Medicaid Services
- Agency on Aging
- Office of Minority Health
- State Primary Care Associations
- Area Health Education Centers
- Community & Migrant Health Centers
